GRAND GREECE & ITS ISLANDS

You will fully experience the “Greatness of Greece” and the unmatched beauty of its magnificent islands.

October 8 / 22, 2010

Together, let’s leisurely explore and experience in depth the wonders of Classical Greece and the most famous of all Greek Islands - Mykonos & Santorini.

This is a much more thorough travel experience than going on a cruise where only a few hours are spent in each port or on any island. Instead, on purpose - and by special design - our select group will literally become immersed in our surroundings (for example, we’ll spend four leisurely nights immersed in the island splendor of Mykonos and Santorini, rather than the “hit and miss” approach of spending a “few hours” on each island). This special planning will allow us to experience and have time for the special bonuses that are included for our select group of travelers.

On the main land we’ll experience with local experts the outstanding cities like Athens (where together we’ll stand in the shadows of the Parthenon atop the Acropolis, the Temple Zeus, and more). We’ll visit a Byzantine monastery, explore the grandeur of Olympia - birthplace of the Olympic Games, and sample the finest wines in Greece during a winery tour on Santorini.

There are many more, but you will enjoy these INCLUDED HIGHLIGHTS: Athens The Acropolis Taverna Dinner Show Thermopylae Kalambaka Meteora Delphi Arachova Olympia Mycenae Epidauros Nauplion Mykonos Santorini.

EXTRA INCLUDED BONUSES: Just for our select group, special bonuses have been included making your experiences even more complete and special. These Extra Included Bonuses appear in bold italicized print in the following daily itinerary

Our group - on purpose - will not be large so as to assure the personal attention and in depth experiences you deserve. Consequently, spaces are limited and will fill quickly. Take advantage of our exclusive 100% Reservation Deposit Refund Guarantee and reserve now. Doing so locks in your spaces, while at the same time you are protected. Invite your friends and family. You may be entitled to our exclusive Friendship Bonus Plan Benefits of cash or future travel credits - your choice. Visit with me today.

Today is designed to be relaxing and to allow you to experience special things.

Next, stop for a sampling of the island's famous Ouzo, the Greek "schnapps". Finally, before heading back to town, stop for a fantastic view of the town and neighboring islands from above. **B**

Day 12: Mykonos/Santorini: Bid farewell to Mykonos as you sail to the most spectacular destination in the Mediterranean, the island of Santorini.
